Title:Terahertz Pioneer: Richard J. Saykally Water, Water Everywhere...

Authors:Siegel, P.H. (1)

Author affiliation:(1) Depts. of Biol. & Electr. Eng., California Inst. of Technol., Pasadena, CA, United States

Source title:IEEE Transactions on Terahertz Science and Technology

Abbreviated source title:IEEE Trans. Terahz. Sci. Technol. (USA)

Volume:2

Issue:3

Publication date:May 2012

Pages:266-70

Language:English

ISSN:2156-342X

CODEN:ITTSBX

Document type:Journal article (JA)

Publisher:IEEE

Country of publication:USA

Material Identity Number:GR96-2012-003

Abstract:This article presents a biographical account of Richard J. Saykally and his pioneering work on the terahertz spectral properties of water.

Number of references:64

Inspec controlled terms:biographies - terahertz wave spectra - water

Uncontrolled terms:Richard J. Saykally - water - biography - terahertz spectra - H<sub>2</sub>O

Inspec classification codes:A0160 Biographical, historical, and personal notes - A3320B

Radiofrequency and microwave molecular spectra

Chemical indexing:H<sub>2</sub>O/bin H<sub>2</sub>/bin H/bin O/bin

Treatment:General or Review (GEN)

Discipline:Physics (A)

DOI:10.1109/TTHZ.2012.2190870
